

SUMMER 2019

CREATE & BOUNCE

TECH CAMP

(FOR AGES 6-12)

A SUMMER THEY WILL NEVER FORGET

Learn to design, build and program ROBOTS! Campers work in small teams using the LEGO® Mindstorms® Robotic Kit and participate in the various challenges.

BOUNCEU SUMMER CAMPS INCLUDE:

- Different projects each day + Tons of Bouncing FUN!
- Building LEGO® and programming workshops
- Daily snacks and treats
- Well trained staff of camp counselors 1:10
- Secure, climate-controlled facility
- Reservations are required. Please no drop-in campers
- Limited # spaces available due to ratio of robots/campers
