#2. Jump Into Heart Health Science Field Trip

Teachers! Take your class and enjoy a 1.5 hour session of fun learning and exercise at BounceU! We are excited to offer students a hands-on, experiment-based science field trip.

Jump into Heart Health field trip is suitable for K - 6th grade and features:

- How the human heart works with the rest of the circulatory system.
- How students can find their peak heart rate during exercise.
- A fun experiment with our giant inflatable equipment, where students learn how to identify changes in their heart rate.
- The signs of coronary artery disease.
- The benefits of a heart-healthy exercise program.

Pricing: Monday - Friday \$250 for up to 30 kids

Jump Into Heart Health field trip must start before noon. A \$75 deposit is required to secure a reservation. Deposit is refundable if you cancel your field trip at least 14 days before your event.
